PROSPECTUS FOR 2024-2025

Welcome to IQ City Medical College

We specialise in holistic education. Here our students are exposed to cutting-edge medical practices, healthcare sciences and technology.

Our experienced and learned faculty will give you an all-round knowledge and a hands-on learning experience. They will train you to be comparable to the best paramedical & allied healthcare professionals in the country.

The vast campus has ample green open and landscaped spaces for you to enjoy an open-air life. For your education, we provide air-conditioned classrooms, top-class laboratories, a well-stocked library, an array of recreations alongside safe and private accommodation.

The 50-acre IQ City Knowledge and Health Campus, that houses IQ City Medical College is part of The Mani Group. It was conceived to build homes for people who believe in quality. Over the last four decades, the Group has delivered more than 25 million sq ft to more than 3500 happy families. In addition to real estate, the Group has successfully diversified into Hospitality, Retail, IT, Power and Education.

I wish that all students of our Paramedical & Allied Courses have successful careers in serving our nation.

Sanjay Jhunjunwala
President

IQ CITY MEDICAL COLLEGE

The Mani Group ventured into medical education in 2013. The IQ City Foundation set up the IQ City Knowledge & Health Campus, over a sprawling 50-acre picturesque location in Durgapur. This was to fuel a vision that artise necessary to become successful medical practitioners of tomorrow.

Keeping that in mind, the students from IQ City Medical College and IQ City Institute of Nursing Sciences are provided with world-class training to cure and care. The college presently conducts MBBS, MD, MS Paramedical & Allied, B Sc, M Sc in Nursing, GNM and other courses.

The Paramedical & Allied courses offers Diploma, Bachelor's and Master's degrees in a variety of disciplines to fulfill a large need gap that exists in our country's medical services.

This is a private, medical institute with world-class infrastructure that specialises in medical education.

The college is attached with IQ City Medical College Hospital which has 1200 beds and its multispecialities promise students the chance to interact with patients with different needs.

The Knowledge and Health Campus accommodates, besides the IQ City Medical College, IQ City Medical College Hospital as well as the IQ City Institute of Nursing Sciences.

Medical College

COURSES OFFERED

DIPLOMA

In the modern world, paramedical science has emerged as an important branch of medical science. It always helps towards better diagnosis, treatment, and therapy.

Paramedics are highly trained medical practitioners who make life-saving decisions under pressure but also put patients and their families at ease during difficult situation. Combining social skills with vast medical knowledge is a unique ability and one that paramedic science students master during the programme.

From an employment perspective, students have fantastic job prospects with a paramedic diploma. Talented paramedics are always in demand, which means that they would be able to find a job very easily, with a good grade, in hospitals, health care units, and diagnostic centres.

From an academic perspective, they can also enhance their academic programme through higher studies.
