**Purpose:** The **Pharmacovigilance** Committee of IQ City Medical College, Durgapur is constituted for detection, assessment, understanding and prevention of adverse effects (ADR) or any other drug-related problem. The aims of this committee is to enhance patient care and patient safety in relation to the use of medicines.

**Scope:** Functions of the committee will include but is not limited to:

1. Supervise the detection and reporting ADR
2. Coordinate with the nearest adverse drug reaction monitoring centre (AMC), Burdwan Medical College for uploading the ADR in official website at this moment.
3. Develop and promote ADR reporting among the healthcare personals as well as the students.
