Memo No.HFW-23099/447/2022/M/ 2461

Dated 29.09.2022

**Urgent Circular all candidates participating in NEET PG Medical / Dental State Counseling 2022**

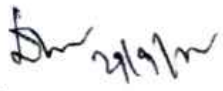

Representations have been received regarding necessary revision in seat matrix of MD/MS PG Diploma seats and addition of State Sponsored DNB Quota seats (**3 years degree and 2 years diploma**). In view of above, further **updating in the seat matrix** published on **28.09.2022** is done and locked choices of the candidates are unlocked in order to enable them for modification in their choice/s if any as per their wish. Kindly note that candidates, who are satisfied with their already exercised choices, need not make any changes and the software will pick those earlier exercised locked choices of such candidate for seat processing. If any candidate does not want to change / modify their choices in light of updating in seat matrix, they may simply lock their choices once again. If they fail to lock, system shall auto lock the choices at the end of the choice filling period. If any candidate does not modify their earlier choice for which in the further updated seat matrix there is no such seat, such choice/s shall not be processed during result processing.

In order to alleviate confusion it is reiterated that **DNB seats shown in the State Quota are entirely for in-service candidates of Dept. of Health and Family Welfare, Govt. of West Bengal** and not for the open candidates. Hence such seats shall not be available for choice filling for open candidates for obvious reason. The categorization of such DNB seats are already done as per extant rule of seat reservation in West Bengal.
