Purpose: The Medical Education Unit has been constituted as per guidelines put forward by NMC to plan, supervise and monitor the academic activities of the Institute.

Scope: The scope may include but is not limited to:

1. Plan, implement and evaluate faculty development curriculum in alignment with MCI initiatives.
2. Ensure continuous quality improvement in Medical Education.
3. Ensure curricular developments through curriculum committee.
4. Help develop specialised educational facilities like Skills Lab, Simulation Centre, Communication programs etc.
5. Keep the Medical College Faculty updated of current developments in Medical Education by organising Workshops and Conferences.
